are signing this Document and by doing so officially establishing the **Network of Family Friendly Sports Clubs**. The following provisions present a framework that regulates the functioning and enlargements of the network.

**1. The main purposes of the Network of Family Friendly Sports Clubs (Hereinafter: The Network) are to:**

- Ensure the exchange of knowledge, experiences, and skills that are necessary for the creation of an adequate environment for the multiplication and promotion of family-friendly sport approach among sports clubs.
- Enable establishment of partnerships that will contribute to the expansion of the family friendly approach and collaboration between sports clubs on a local, national, and international levels.
- Guarantee that the family friendly sports approach developed within the project "Family Friendly Sport" is fully and correctly implemented within its member clubs.
- Support the dissemination of the outcomes and products of the "Family Friendly Sport" project.

**2. The Network will be comprised of two types of members - Founding members and Associated members.**

- The Founding members are clubs and organizations that form the consortium of the "Family Friendly Sport" project. These members serve a role of the network administrators and are responsible for approving new memberships.
- The Associated members are sports clubs that will join the network subsequently.
- The membership in the Network is on the voluntary basis and members are free to cancel their membership at any time if they desire to do so.
- The membership of an Associated member can be terminated through the decision of Founding members on the basis of inactivity or the lack of engagement in the work of Network.
- The membership in the Network is free of charge.

**3. The Network is open to accepting sports clubs as new members.** In order for a sport club to apply for membership it needs to meet the following conditions:
